The EU in 2016 – General Report and Highlights

Do you want to know what the EU achieved in 2016? What progress it made in delivering on its priorities? The measures it took to boost jobs, growth and investment? The ambition behind the newly-launched European Solidarity Corps? The good progress made on migration? The new trade partnership agreed with Canada? And how EU citizens benefited from the Union? You can find the answers to all these questions and more in 'The EU in 2016'.

Factsheet on the European Solidarity Corps now available

Young people across the EU should have the opportunity to volunteer or work for a good cause, said Commission President Jean-Claude Juncker during his State of the Union address in September 2016. This would allow them to express their solidarity, develop skills and gain experience. Registration for the Corps opened on 7 December 2016.

'The EU and jobs, growth and investment' – all you need to know in a short factsheet

The second title in a new series of short, easy-to-read factsheets on the 10 Commission priorities was published in autumn 2016. The factsheets are specifically designed to be useful for Representations and Europe Direct Information Centres as hand-outs for the general public. They are limited to four pages and are available in all 24 official languages.

'The EU and the refugee crisis' - all you need to know in a short factsheet

This is part of a new series of short, easy-to-read factsheets on the 10 Commission priorities. It sets out in simple terms what the refugee crisis is, its implications, and what the EU is doing to tackle the problem. These factsheets are specifically designed to be useful for Representations and Europe Direct Information Centres as hand-outs for the general public. The factsheets will be limited to 4 pages and will be available in all 24 official languages.

The EU in slides

"The EU in slides" is a selection of PowerPoint slides outlining the basics of what the European Union is, what it does, and how it works. The slides are a flexible aid for teachers and speakers giving presentations about the EU. They are fully editable - anyone can re-use the illustrations, graphs, or templates. The slides cover many of the benefits of the EU, as well as the more traditional subjects of EU history, treaties and institutions.
